“Why?! I’m busy in the summer! I can’t make it!”

The duties and tasks of CYX are many, and in order for those duties and tasks to run most efficiently, we must be operating as one cohesive, Spirit-led team. Teamwork is not created by assigning tasks, but by building trust with one another. That’s what this day is all about. CYX Staff is not just a work experience, but a *prayerful* experience of true **Christian discipleship**. We don’t want workers, we want servants, completely open to the call of the Spirit!
